

1. All clients are to arrive at a maximum of 10 minutes before the lesson and leave straight afterward.
2. When you arrive for your lesson, the instructor will meet you at the gate (please wait until they arrive). The horse will be tacked up for you and the instructor will escort you whilst maintaining social distancing to the arena.
3. Clients and staff must stay two meters away from each other and follow social distancing rules. If you or your family have had any symptoms of coronavirus please do not attend your lesson.
4. All clients must wear a mask whilst inside riding school. Your own hat (up to current BHS standards) is recommended, however we have hats available. Facemask must be worn upon entering indoor school and when having your girth and stirrups adjusted, this can be taken off and put into your pocket whilst riding only. Gloves must be worn at all times.
5. You should attend your lesson by yourself if you are able to, no extra spectators. If you're bringing your child rider or you are a carer, we asked the only one and no other family members come into the yard

~ Thank you for your cooperation and keep safe ~
